SLEEPING BEAUTY TRIVIA

CATCH IT

♥ A Classic Returns SLEEPING BEAUTY  
A Saturday PremEAR Feb. 13th at 7pm/6c

**1** What was Princess Aurora's name while she was hiding in the forest with the 3 kind fairies?

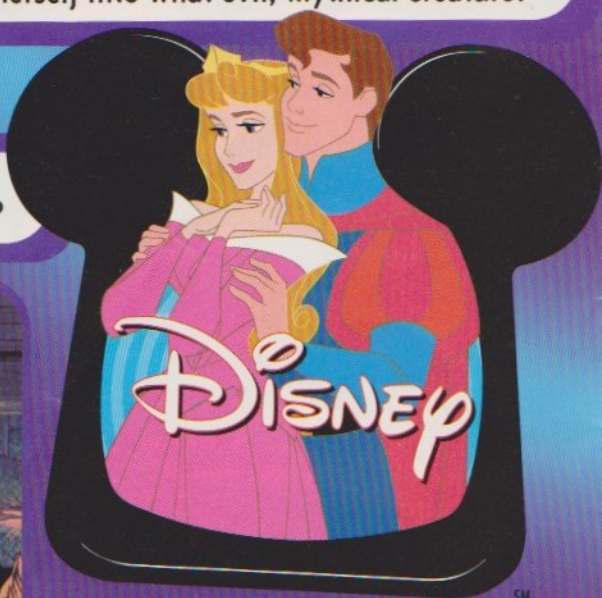

**2** Prince Phillip must battle the terrible Maleficent when she transforms herself into what evil, mythical creature?

**3** What did Disney animators do to make the animation look more realistic?

Walt Disney's most elaborate animated classic tells the tale of Princess Aurora, who is cursed by the wicked fairy Maleficent to die at the age of 16 by pricking her finger on the spindle of a spinning wheel.

Despite the attempts of three kind fairies, the curse comes true. So the good fairies put everyone in the castle into a deep sleep until Maleficent's curse can be broken.

ANSWERS TO SLEEPING BEAUTY TRIVIA:

1) Briar Rose 2) A Dragon 3) Many sequences were filmed using living models so the animators could draw more realistically.

## HERCULES

### THE LEGEND

Check out Disney's account of Hercules, the mythological superhero & son of Zeus, on his exciting journey from "zero to hero." Hercules must discover what it means to be a true hero if he's to regain his rightful place among the Gods of Mount Olympus.

### THE CHALLENGERS

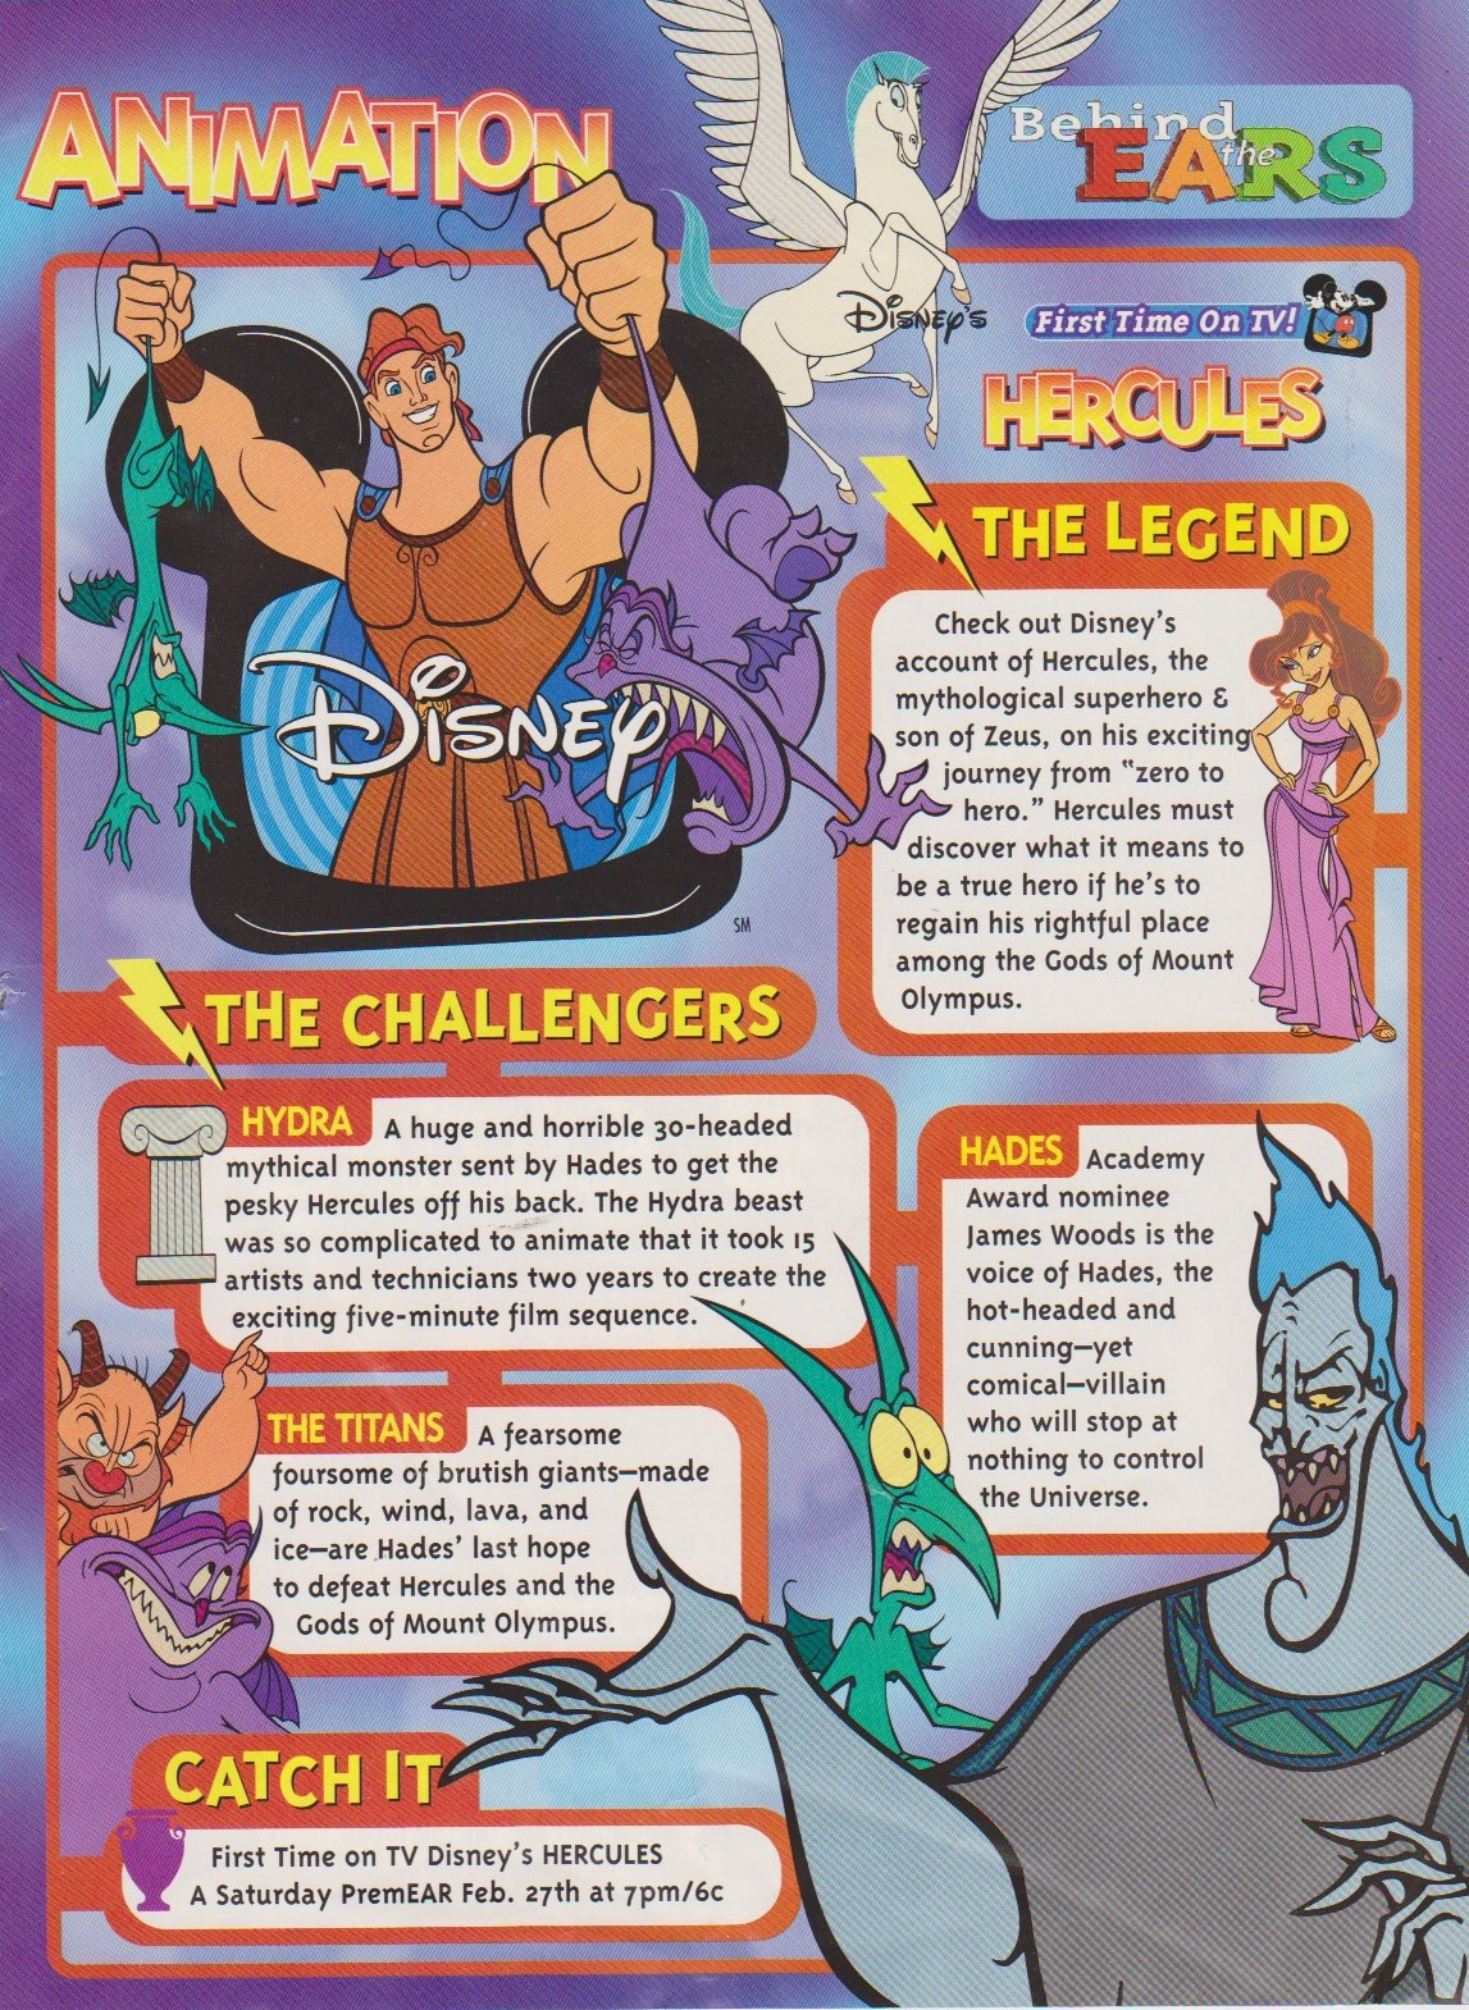

**HYDRA** A huge and horrible 30-headed mythical monster sent by Hades to get the pesky Hercules off his back. The Hydra beast was so complicated to animate that it took 15 artists and technicians two years to create the exciting five-minute film sequence.

**THE TITANS** A fearsome foursome of brutish giants—made of rock, wind, lava, and ice—are Hades' last hope to defeat Hercules and the Gods of Mount Olympus.

**HADES** Academy Award nominee James Woods is the voice of Hades, the hot-headed and cunning—yet comical—villain who will stop at nothing to control the Universe.

## WHAT IT IS

## THE INVESTIGATION

## SUSPECT #1

Could **YOU** handle traveling around the country investigating **SO WEIRD** stuff: time-travel, Bigfoot—even *alien encounters*? Meet Fiona (everyone calls her *Fi*) Phillips, Paranormal Investigator.

Meet Cara DeLizia, the young star of Disney's newest series **SO WEIRD**. Cara is 14 & 1/2 and has a cereal-eating miniature schnauzer she calls her furry brother. Cara loves rollerblading, basketball, skateboarding, and bowling.

Join *Fi*, her brother *Jack*, & *Jack*'s best friend *Clu* for adventures in everything that's **SO WEIRD**. (*Jack*'s played by Patrick Levis; *Clu*'s portrayed by Erik von Detten from DC's *Brink!*) *Fi*'s mom Molly is a '70s rock star on a cross-country comeback tour, but *Fi* has other ideas about that. Because on every tour stop, *Fi* discovers a new mystery that's **SO WEIRD**.

**Behind the EARS:** How would you describe *Fi* Phillips, the character you play on **SO WEIRD**?

**Cara DeLizia:** *Fi* is determined and adventurous. She's just like me, she marches to the beat of her own drummer.

**EARS:** What's the craziest thing you've had to do on screen?

**Cara:** Two things. I had to hang 20 ft. in the air suspended by a harness and fall through a break-away ceiling. It was scary at first but I got used to it after hanging there for a while. I also had to run into a cold, muddy bog & then get stuck in a river. Unfortunately, I slipped & fell in the bog & swallowed some bog-water. *Yecchh!*

**EARS:** Who's your favorite Disney character & what's your favorite DC show?

**Cara:** I'm a traditionalist. I love Mickey. My whole room at home is covered with Mickey stuff. I even have Mickey sheets. And I'm addicted to watching **BUG JUICE** on DC.

# DISNEY ARE SO WEIRD

Behind  
**the EARS**

## SUSPECT #2

Mackenzie Phillips is one actress who's done it all. From Broadway to Hollywood, from "One Day at a Time" to SO WEIRD. You name it, Mackenzie's done it.

**Behind the EARS:** Much like in your real life, the character you play on the SO WEIRD is a performer making a comeback after an absence from the scene. Does that make the role easier to play?

**Mackenzie Phillips:**

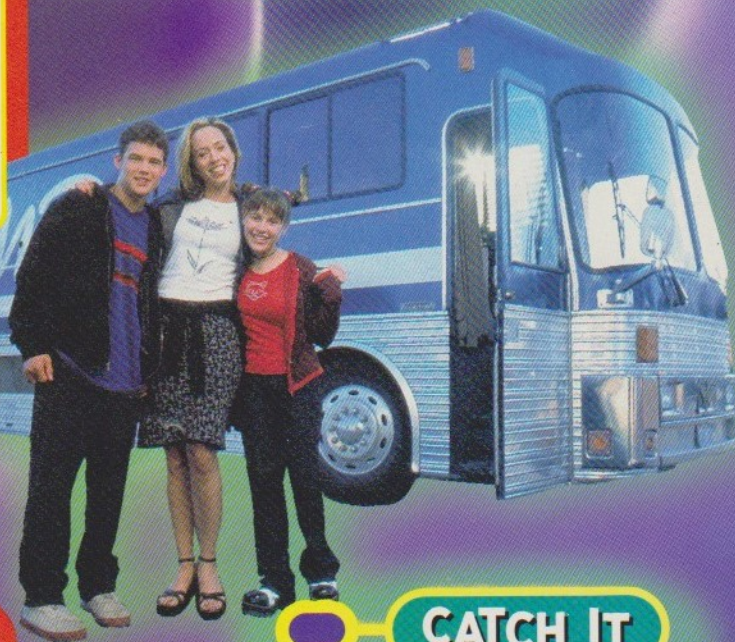

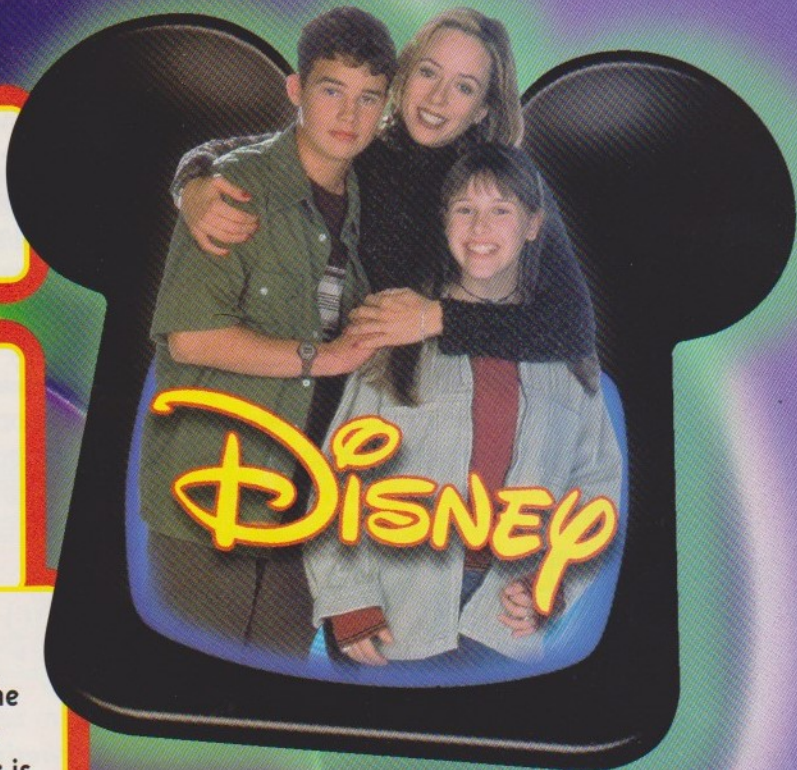

I'm really enjoying the role. Just like me, my character is a single mom, making a return to entertainment. I don't use the word comeback; I see it more as making baby-steps back into my acting career.

**EARS:** What's the craziest thing you've had to do on screen for SO WEIRD?

**Mac:** Jump in a cold river to pretend to save Fi (Cara).

**EARS:** Are you a Disney fan and who's your favorite character?

**Mac:** I am definitely a Disney fan. My son Shane (11) and I probably have every animated movie Disney ever made. And I love all the characters.

Don't know what you all are doing out there, but here at DC we're thinking Spring! But if you don't live in sunny Southern California like us, it's OK, we understand. It's the middle of winter, it's too cold to play outside,

you can't go snowboarding, and you're on the verge of losing all hope that you'll ever have fun again when all of a sudden you remember... you can watch DC! And we won't let you down.

We have cool movies—HERCULES & 101 DALMATIANS & the brand spankin' new DC series SO WEIRD. So watch DC, have fun, and stay toasty inside—or freeze your mittens off building a snowman outside.

## The Labors Of Hercules

Think you can go from zero to hero in just one test? Well, try answering these questions about HERCULES. It PremEARS on Feb. 27th for one night only. The rules: true-false questions are worth one point; multiple choice questions are worth two points; and the bonus is worth five points. Check out "Scorin' It" to find your score.
